J. Sourwine, Chief Counsel, Subcommittee on Internal Security, Senate Judiciary Committee, called to determine if we had developed any information we could possibly share with him for Senator James Eastland (D., Miss.) on [REDACTED] who apparently has made a number of trips to Poland in the 1960's. I told Sourwine we would look into the matter but if this involves an American citizen we may not be able to be of assistance. Sourwine understood this. [REDACTED] DDO, has been advised.

Called Les Janka, NSC staff, and informed him that we were in receipt of a request from Chairman Melvin Price, House Armed Services Committee, to comment on H Res 205, directing the Secretary of Defense to provide certain information relating to Chile. Janka said they had just focused on this resolution and believes they would want to handle it in a manner consistent with the handling of House Resolutions 206 and 207 by Mr. Marsh, White House, and Mr. McCloskey, State, yesterday. It was agreed that we would not do anything further until we hear from him and that he would let us know the outcome hopefully before the end of the day.

25X1

In response to his request on behalf of General Scowcroft, copies of S Res 21 and H Res 138 were LDX'd to Janka.

(D., Mich.) about disclosures over the weekend with respect to a sensitive Agency program. I told Mr. Nedzi that I would provide him with some back-up material on this in the next day or two. I also talked to the Chairman about House action on a select committee. Action on the resolution will probably be taken by the House early next week. I told him that we had provided a classified document on the legislative history of the Agency to the Senate Select Committee and would be happy to provide him a copy of the same document. In this connection, I told him that I assumed that even though he might be the Chairman of the select committee in the House that he would also want his Armed Services CIA Subcommittee to receive copies of all documents provided to the House and Senate select committees, as we had done in the Watergate case, and he said indeed he did. I have asked Mr. Clarke to provide me with copies of all documents going to the Select Committee for this purpose.

3. [REDACTED] 25X1
Talked with Clark McFadden, General Counsel, Senate Armed Services Committee, who said he would like to have a copy of the Soviet missile estimate tomorrow morning to prepare himself for the Director's briefing of the Arms Control Subcommittee tomorrow afternoon. I also arranged an updated briefing for [REDACTED] and himself for Friday at 3:00 p.m. on the Soviet presence in the Indian Ocean.

4. [REDACTED] Talked with Marian Czarnecki, Chief of Staff, House Foreign Affairs Committee, who told me that under the new rules of the Democratic Caucus the following members had been named to the Subcommittee that would receive Agency briefings on covert action programs: Chairman Thomas E. Morgan (D., Pa.), and Representatives Clement J. Zablocki (D., Wisc.), Wayne L. Hays (D., Ohio), Leo J. Ryan (D., Calif.), and Helen S. Meyner (D., N. J.). The Subcommittee will also have two Republican members, who are as yet unnamed.

5. [REDACTED] Received another call from Mike Crowley, INR, who is interested in our position on S. Res. 6, which would establish a Senate select committee similar to the one set up under S. Res. 21. I again promised to send Crowley a draft of our response as soon as it is prepared.

6. [REDACTED] and I met today with Paul Tsompanas, Legislative Aide to Representative Bob Wilson (R., Calif.), to discuss [REDACTED] of American tuna boats. This stemmed from a call Congressman Wilson made to us on 7 February. The Congressman is in California and Mr. Tsompanas will pass along our comments to him. We left Mr. Tsompanas a copy of the Weekly Summary article on Tuna Boat Seizure which appeared 31 January.
